Re: Request for Copy of Report – "An Assessment of the Contribution Rates of
CWT-Tagged Groups of Juvenile Salmonids from California's Central Valley
to the Adult Population"

Dear Mr. Richie:

With this letter we are formally requesting a copy of the above referenced
CALFED report.

It is our understanding that this report is a public document prepared at the
recommendation of a CALFED workgroup and funded through the use of
Category 3, Proposition 204 public funds and, therefore, should be available for
immediate release to the District.

While we feel that the cost of reproduction and mailing of the report might
reasonably be borne by CALFED, we will be happy to reimburse these costs
should you desire. Simply include an invoice with the document.

We respectfully ask that you respond to this request immediately upon its receipt.

Sincerely,

William D. Harrison, General Manager
